

Owego Apalachin Central School District

District Goals – 2010-11

Goal 1 - Become a school community where expectations for excellence in each student's academic performance and accomplishments are the norm

Goal 2 - Create a culture of literacy that empowers students to be effective communicators

Goal 3 - Become a leading district in the application of information and instructional technologies to enhance teaching, learning, management, and communication

Goal 4 - Continue to build connections with all district residents, community organizations, businesses, and employees to heighten their awareness and involvement with the school community

Goal 5 - Manage district resources effectively in support of educational excellence

Approved by the Owego Apalachin Board of Education – September 23, 2010
