Owego Free Academy diver Mike Morabito became the first swimmer/diver in school history to sign a national letter of intent to dive for a Division I program on May 9, accepting a scholarship from the University of Maryland Baltimore County.

In the photo above, Mike is shown making things official by signing the UMBC letter as he is flanked by OFA swim coach Jason Westervelt (left) and OFA assistant swim/diving coach Amy DeRito. Mike's parents, Vicki and Joe Morabito, are pictured standing.

At left, Mike sports a t-shirt, given to him by DeRito, that show his future colors.

The University of Maryland Baltimore County competes in the America East Conference and competes against Binghamton University.

Mike Morabito has also competed in football, soccer and baseball as an OFA student-athlete.
