

OATRTC Mission Statement

The Owego Apalachin Teacher Resource and Technology Center is dedicated to work cooperatively with the Owego Apalachin Central School District to:

- ◆ Facilitate opportunities for collaboration and support groups among the school community.
- ◆ Equip teachers with the knowledge and techniques to prepare students to meet the New York State Learning Standards.
- ◆ Provide programs that foster sharing, learning and team building among educators.
- ◆ Help build local capacity for growth in student performance.

The goals for the OA Teacher Center will reflect a collaborative and supportive role with the school district in promoting positive changes for teaching and learning in the classroom setting. The center will:

- ◆ Provide training for staff to increase skills to achieve better student outcomes.
- ◆ Provide an organized work space for teachers to develop high-powered lessons.
- ◆ Provide an area for staff to meet and collaborate on common issues.
- ◆ Provide training for all participants of our Mentor Program.
- ◆ Provide training in technology to support teaching and learning.
