Chapter 474 of the Laws of 1996 included a provision for the publication of Superintendent and certain administrator salaries as part of the annual school district budget process.

Salaries, benefits and other in-kind compensation for all superintendents, associate or assistant superintendents, regardless of salary, must be appended to the preliminary budget.

Any other administrators or supervisors whose annual salary is in excess of \$118,000 for 2009-2010 must have their salary and position title appended to the budget document.
