

Welcome to 9th Grade at Owego Free Academy

- Opening day for the 2007-2008 school year is on Wednesday, September 5th. Students will receive notification by the end of August in the mail informing them of their 1st period class to which they will report to by 7:40 am on opening day to receive their schedule
- Students who note a discrepancy with their schedule should report to the guidance office during their study hall, lunch, or before/after school to fill out a schedule request form. Be patient, rescheduling of student classes takes time to process.

Supplies:

Each academic area will vary in supply requirements (i.e. binder vs. spiral notebook)
This is not an all inclusive list.
