OUR SCHOOLS

O-A Yorkers Club takes home awards

The Owego-Apalachin Yorkers Club returned from their annual competition on May 5 at Lake Placid with honors. About 42 students from Owego Free Academy and Owego-Apalachin Middle School won more than 50 awards in a variety of individual competition categories.

Yorkers is a history research club for students in grades 6 to 12. The Yorkers Club is a part of the State History Interest Project organization. Students are selected from among 11 competition project categories and work on their project throughout the year.

The History Bowl component of the competition pits teams of four students from schools around the state against each other in a live question/answer competition format. This year the OAMS team took third place, and the OFA teams placed second and third. The OFA team also took first place in state in the debate competition.
